## ECC Counselor in Training (CIT) Camp **NEW!**

Age 13 - 15

Our Counselor-in-Training (CIT) Camp is for energetic and motivated teenagers who want to learn and develop leadership skills while working with children in a day camp setting. CITs will develop leadership skills through direct supervision, regular trainings with the instructor, and hands-on experience engaging with campers in our many different day camps. CITs will spend half the day working in our camps and the other half of the day will be spent skill building, group work and fun camp activities, including crafts, baking, and swimming at Beachland Park pool. The goals of this program are to provide teens with training and skills to become effective leaders, improve self-confidence, learn public speaking skills in a group setting, and offer a meaningful opportunity to assist children in a camp environment. This program prepares teens for future work experience, motivates them to be effective role models resulting in a fun and productive summer, allows them to select specialty camps they want to participate in, and is a great resume builder! Interested candidates will need to complete an application and attend an in person interview. Please call our office to obtain an application. Spaces are limited.
